

Silvia Bodoardo is full professor at Politecnico di Torino where she is responsible for the task force on batteries and leads the Electrochemistry Group@Polito. Her research activity is mainly focused on the study of materials for Li-ion and post Li-ion batteries. Her research is also dealing with cells production and battery testing. She is participating in several EU funded projects (coordinator of GIGAGREEN and STABLE EU projects) and national and regional ones. She is leader of WP3 on Education in Battery2030+ initiative and is co-chair in WG3 of BatterieEurope and Leader of the Task Force on Education of BEPA (Battery Partnership).
