

Fernando Jr. Piamonte Magboo obtained his Master's degree in Chemistry at "Sapienza University of Rome" in 2021. In the same university, today he is a PhD student in Mathematical Models for Engineering, Electromagnetics and Nanosciences at the Department of Basic and Applied Sciences for Engineering (SBAl). His research activity is focused on the characterization of chemical compounds by using Terahertz (THz) Spectroscopy. He is a co-author of 2 publications in international peer-reviewed journals.
